

Final Dissemination Conference October 2013

Final Dissemination Conference- Brussels (BE), 15 October 2013

The Dissemination Conference was the last event organised by the project, where the results produced by the DIALOGUE network were shared with the community. This event did:

- Highlight key findings and **recommendations** aimed at building bridges between research and practice in university lifelong learning and in particular across four themes: **Access and progression| Quality assurance and enhancement| Learning and guidance| New media**
- Enable participants to learn from examples of **good practices** across Europe
- Provide a forum for ongoing **debate** about knowledge exchange and links between research and practice in lifelong learning in a European context

The Conference included a **panel of experts**, a **round table**, an **interactive workshop** and **presentations**. Participation was free (co-funded by the European Commission).
