

DIALOGUE at the ECER conference in Cadiz

Members from the **access and progression group** of the DIALOGUE project will lead a symposium at the [European Conference on Educational Research \(ECER\)](#)^[1] at the University of Cadiz in September 2012.

The presentations will examine approaches to widening access to higher education for groups at risk of disempowerment on the basis of age and disability. The theme of the conference is need for educational research to champion freedom, education and development for all.
